ILLINOIS

REID TONKENS.....*Editor-in-Chief*

CHARLES STEWART.....*Business Manager*

The 1958 Elgin Maroon is a graphic illustration of the changing scene within Elgin High School. Among the many changes affecting Elgin High is a vastly increased enrollment with its accompanying problems of overcrowding of classrooms and added burden on our teachers. To keep pace, the Maroon has changed from its classical motif to one of plastic modernity. This change is symbolic in that we hope it will reflect progress in our educational philosophies. To maintain the high standards of Elgin High School, progressive solutions must be sought to modern problems. The administration and faculty are working closely with the student body of Elgin High School to find the best possible answer to a myriad of problems. Throughout the following pages you will see a progressive, efficient, administrative staff, a well-trained, forward-looking faculty, and a thoughtful, interested student body. These are the essential elements in solving the problems of today and the future.

outside the classroom

MR. CHESTER ALEXANDER

Superior leadership guides us through an inspired educational program

A school reflects the work and ability of its principal. It is quite apparent from the record of Fagin High School in the two years that Mr. Alexander has been principal that he has done an outstanding job in every way.

His is the difficult task of guiding an interested student body through years when the school is beset with obstacles almost insurmountable. His students will be the first to tell you how well he does this task.

From the student viewpoint his strongest asset is the genuine interest he has in all students. In his busy schedule crowded with student, parental and community activities, he still has time for every student.

BOARD OF EDUCATION

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) are bounded and tend to zero as $t \rightarrow \infty$.

Our board of education cooperates closely
with our civic-minded home school council

BOARD OF EDUCATION

BOARD OF EDUCATION The Board of Education of the Plainfield school system is desirous of receiving for its next year's term an excellent group of students in the City of Plainfield High School. We extend an appeal to all those who feel that they can help to give and help in solving our problems. Your help means other responsibilities. They must select our young men and women for our schools. All who have interest in our Plainfield school system should consider it as very fortunate to have such an intelligent school board.

Fifty-eight was great

The Class of 1958 has distinguished itself for its capable student leadership, its scholarship, and its cooperative class spirit. The class song begins with the line, "Our Elgin has the Great '58," and the school has indeed been happy to have them.

The class as a whole has proved to be better than average in abilities among senior classes in Illinois high schools as measured by their scores in the statewide testing program. Eight students in the class passed the very demanding National Merit Scholarship examinations, placing EHS among the top twelve schools in terms of the total number of qualifiers.

It is difficult to believe, but the class treasury has handled more than \$8,000 from the proceeds of three class parties, two all-school record dances, two class plays, last year's Junior-Senior Prom, the Homecoming festivities, the 1957 football game food concessions, and the class program of eating its way through EHS. The latter has consisted of a class breakfast, a class lunch, and a class smorgasbord, and will be climaxed by the traditional class dinner.

FORENSICS

The 1957-58 debate and forensics squad, coached by Howard J. Schulte, has conducted a very successful season. In the program there are two principle divisions: the individual events and debate.

In the field of individual events we have had only a moderately successful year. All of our speakers qualified for the sectional division of the State Series although none qualified for the State Finals. However, Kay Baker won the National Forensic League's District Tournament in Oral Interpretation of Literature. Also Pat Curtis was the highest ranking discussionist at the Normal University Tournament and Ann Glashagel and David Langum placed first in the Big Eight in Oratory and Extemporaneous Speaking, respectively.

It is in the field of debate that the squad has been most successful. The varsity team, this year, was composed of Jim Gordon, Ann Glashagel, Denis Adam, and David Langum, with Kay Baker also doing varsity debating on many occasions. The varsity team could not have done as well as it did, however, without the help of the rest of the squad who debated against them in practice sessions.

After qualifying for the State Finals through a play-off round in the Sectional Tournament, the squad attended the State Finals in Campaign-Urbana on April 12-13. The squad took first place and thus qualified for the National Tournament of the National Forensic League, which is to be this summer in Sioux Falls, South Dakota.

CLASS OF 1959 . . .

The class of 1959, sponsored by Mr. G. B. Stuart, started another successful year by winning a prize for its Homecoming float for the second consecutive year. "Cool Capers," its first class party of the year was followed by "Passport to Paradise," 59's version of a Hawaiian Luau. This was one of 59's most outstanding successes. The class newspaper, "The Fifty-Niner," continued its bi-annual publication. "Stage Door," the Junior class play, played to two enthusiastic audiences. The year was culminated by the Junior-Senior Prom on which many 59ers worked hard.

"This far and farther"

CLASS OF 1960

The class of 1960 started off its first year at E.H.S. by building a prize winning homecoming float. They went on to stage a successful and enjoyable class play, "60 Daze." After many arduous sessions the class song to the tune of "Mobile" was written. Red and white were chosen the class colors, and

"This far and farther" was chosen as the class motto. As a final project, they put on a party for incoming sophomores. Judging from their fine year, the class of 1960 seems to have a bright future.

Elgin High School band

[illegible]

BAND . . . The Elgin High School Band has had a very active year. It started the year by entertaining the football fans at half-time. A fine performance was given in the Veterans' Day parade. Two assemblies and two concerts, Winter and Spring were presented.

The band had the honor of being invited to play at the Illinois Education Association in St. Charles. In the spring the band gave able performances at the Contemporary Arts Festival and the Fox Valley Music Festival. Among many other fine presentations, they played at the State Hospital and a Junior High Assembly.

All in all the band had a fine year as was shown by the enthusiasm of the audiences at their various programs. The band represented Plain High School very well at all of their performances in the tradition of E.H.S. bands of the past.

ELGIN HIGH SCHOOL CONCERT ORCHESTRA — The Elgin High School Concert Orchestra, under the direction of Miss Marion Latley, takes part in a variety of activities during the year.

In the fall the orchestra chose the following people as officers: president, Fern Kahna; vice president, Bill Brown; secretary, Mary Withers; and librarians, Barbara Hollister and Sue Burton. Along with the Senior A Cappella and modern dance group, the orchestra prepared for the annual Operatic Nights, "Some Enchanted Evening."

In November members of the orchestra went to Orchestra Hall to hear the Chicago Civic Symphony. The students were also busy practicing for two concerts, *The Messiah* and the State Hospital Christmas concert, both given in December.

The busiest time of the year for the orchestra was second semester, for many students took part in the district and state music contests. The annual Spring Concert, Fox Valley Music program, Orchestra picnic, and several school concerts were other activities undertaken by this group.

To fill the school with music

AEOLIAN . . . The Aeolian choir has one hundred and forty sophomore girls. The group meets in two different groups, but combines for public performances. Miss Emily Martin aptly directed the group this year.

The choir participated in the annual Thanksgiving assembly. Joining the Junior A Cappella for the evening, the choir presented a Christmas program. The group followed this program with a performance in the Contemporary Arts Festival.

JR. A CAPPELLA . . . The Junior A Cappella this year has maintained its tradition of fine performances. Under the able direction of Miss Emily Martin, the choir, which has about fifty members, has participated in many enjoyable programs. The choir gave two Christmas performances. One was an evening program in conjunction with the Aeolian choir, and the other was singing in "The Messiah" with Senior A Cappella. The group also took part in the Fox Valley Festival.

Senior A Cappella provides music

SENIOR A CAPPELLA . . . The Senior A Cappella Choir of Elgin High School has 66 members selected competitively from all three classes under the capable direction of Mr. F. A. Hill.

The choir has sung for such local activities as the Rotary Club, Lions Club, Association of Commerce, Sunrise Services, Kiwanis Club, Messiah, and Baccalaureate.

Beginning their activities this year, the Senior A Cappella put on their own Operatics Night, "Some Enchanted Evening." They have appeared at Champaign, Illinois.

St. Charles Teachers Convention, Contemporary Arts Festival, and Kiwanis International Convention in Chicago have also been included in their appearances.

Each year the choir takes a trip; this year they traveled to Milwaukee, Waukesha, and Racine, Wisconsin. This is made possible by each individual selling Christmas cards, tickets for Operatics Nights, and pennants, buttons, etc. at games.

The officers were Roger Parsons, President; Jeff Reinart, Vice-president; Carol Stevens, Secretary-Treasurer.

The middle row contains 9 portraits, including both men and women with various hairstyles. The bottom row contains 10 portraits, also including both men and women. Below the portraits is a row of small, circular decorative elements, possibly buttons or rivets, spaced evenly across the width of the page. The background is dark and textured.

STUDENT COUNCIL . . . The Elgin High Student Council has been especially active this year on all three levels—local, state, and national. Locally, the Council again sponsored a foreign exchange student, Marta Gonzales, who came to us from Argentina. With the Council's support, two of its members, Doug Kranwinkle and Larry Hansen secured executive positions in Illinois District and State Organizations of Student Councils. Elgin was also fortunate in having Doug as a representative at the National Student Council Convention in Roswell, New Mexico. In order to support its activities, the council sponsored its third annual musical production, "It's Later Than You Think" which was written, produced, and played by the student body. The council was also active this year in promoting better inter-school relationships between schools of our conference and locality by means of student exchange and other joint activities. The major goals of the Elgin High School Student Council are to encourage a feeling of cooperation between the student body and faculty, to act as a service organization for the school and community and to maintain the high standards of scholarship, courtesy, and sportsmanship which have come to be identified with our school.

Marcia Keller and Jackie Humbracht are seen busily designing our opening pages; their first 3 months of labor

Trudy Haffron displays the devotion of yearbook workers as she types on the roller to Judy Kohlhausen's dictation

THE MAROON . . .

The Maroon staff has worked hard this year to produce a fine yearbook. They worked all year starting in the fall by choosing a color scheme taking pictures, typing ambitions and activities and beginning to write copy. Many of these things were done all year, and other duties were added as the book was nearing completion. The staff members were kept busy writing copy and collecting pictures. Much time was spent by the art editors on making lay-outs of pages

All this work was co-ordinated by Mr. Carl Pride, the sponsor of the Maroon

The staff hopes that its work of the year merits the approval of the students and faculty of E.H.S.

The Mirror reflects bi-weekly events

MIRROR . . . The Mirror acts as the week by week diary of Elgin High School, recording the events of E.H.S. when they happen

The students participating in the production of the Mirror combine their assorted talents to come out with a bi-monthly edition filled with feature stories, sports highlights, pictures, and news of the many activities that make up the life of E.H.S.

The Mirror, capably sponsored by Miss Enid Burns, is financed in part by the advertising of local businessmen of the Elgin area. The school periodical works hand in hand with the professional printing enterprises in our community to provide the students with a better understanding of the business end of running a newspaper.

Other than the education concerning the principles of journalism, working on the school paper supplies the students with many experiences of meeting and interviewing people that greatly improve the students' tact and general human relations.

VARSITY FOOTBALL 1957 . . . The Maroons this year were led to a 6-3 record by a new head coach in the person of Mr. Bob Duffield. Plagued by inexperience, but blessed with depth at every position, the Maroons picked to finish somewhere in the Big Eight's second division rolled through a highly successful campaign, copping a second place tie with the Cavaliers of LaSalle-Peru.

The Maroons opened the 1957 campaign with a 13-0 victory over York and were on the short end of a 6-19 score against a powerful Thornton eleven in nonconference tilts.

Opening the conference season on foreign ground, the Maroons bowed to La-Salle-Peru. In the annual Homecoming showdown, Elgin walloped the Freeport Pretzels 38-6. We continued to roll to victories over East Rockford, 14-7. West Aurora, 25-0, and Joliet 19-0. We lost our third decision of the campaign to East Aurora, 25-6, and ended the campaign successfully by a score of 27-6 over West Rockford.

Our star center and linebacker, Fred Rhoades, was named on various all-state teams. Tackle Ernie Akemann was named on the All-Big Eight first team.

SOPHOMORE FOOTBALL 1957 ... The E H.S. sophomores for the third time in sophomore football history were Big Eight champions. We are also the first sophomore team in the school's history to complete an undefeated, untied campaign. We were unscored upon in the season's first 3 encounters. This feat could not have been accomplished without expert guidance from head coach Bill Chesborough and assistant Don Quillman. Varsity rolls to victory

Akemann takes one off the defensive board.

VARSITY BASKETBALL . . . The 1957-58 edition of the Elgin High School varsity will long be remembered as one which provided many pleasant surprises and much exciting play. Last year's entire starting five graduated and only two boys returned from the ten man tournament squad. Although few expected it, Coach Chesbrough molded another powerful quintet, which managed to cop the Big Eight Conference title, as well as garner a berth in the "Sweet Sixteen" for the third year in the last four.

The team opened the season with a victory over Arlington Heights but were never able to triumph twice in succession through the first half of the schedule while compiling a 4-5 overall record including a 1-1 mark in Big Eight play. The turning point in the campaign came in the game against East Aurora. In the second half of that contest the boys really caught fire to swamp the Tomcats 75-57 and start a surge that carried them to the conference championship and the first round of the state tournament. The following night the Elgin cagers defeated Hinsdale 61-60. Flynn Robinson coolly dropped in two free throws with only seconds remaining in the game. The following weekend Elgin Rockford the state's number-one-ranked ball club moved into Elgin and left somewhat deflated. Elgin bowled over East by a 57-51 count while leading by as much as 17 points during the game. The team continued through the rest of the conference season undefeated, clinching the title in a come-from-behind thriller at La Salle-Peru. The only losses suffered by the Elgin cagers in the last 12 games of the regular season were to Thornton and Moline, two of the state's strongest

quintets. Elgin opened the Crystal Lake Regional with a crushing 92-52 win over Harvard. McHenry provided stiffer competition before falling before Elgin's fourth quarter surge 72-59. In the Regional championship game the Maroons streaked to a 17-2 lead in the first quarter and coasted to a 63-49 victory. The Elgin eagles carried a 7 game winning streak into sectional competition and increased their victory skein to 9 before moving into "Sweet Sixteen" play. In the Arlington Heights Sectional the Maroons rolled over a game Warren ball club 79-69 before annexing the championship with a heart stopping 49-45 win over Maine as Ernie Akemann dropped in the winning free throws with only 14 seconds remaining in the game. Marshall of Chicago was the Maroon's next opponent in state tournament first round play at McGaw Hall in Evanston. Elgin did a magnificent job in staying with Marshall for three quarters before tiring in the final stanza to lose by a 63-43 score which was not at all indicative of the ferocity of the contest. Thus ended another fine Elgin basketball season with a season record of 19 wins and only 8 losses.

Mr. Chesbrough deserves special commendation for the masterful coaching job he did in bringing an inexperienced group of boys from midseason depths to the conference championship, the "Sweet Sixteen" and a 19-8 season slate. This was certainly one of his finest ball teams and ranks proudly with all the other great Elgin teams. Overall balance marked this year's team, though individual recognition was not entirely lacking. Jack Pflederer, Ernie Akemann and Flynn Robinson made various all-conference and all area teams.

Sophomores demonstrated steady improvement

SOPHOMORE BASKETBALL... The Elgin High School sophomore cagers a slow starting ball club this year, turned in a 10-11 season mark. It was not until midseason that the boys found themselves. This was the main cause for their low place in the Big Eight standings. Finishing the season with three consecutive victories over La Salle-Peru, Leyden, and Joliet, the team entered the Belvidere frosh-soph tournament. In the first game Elgin walloped North Boone and were defeated by Sycamore in the quarter-final encounter. Although the campaign record was not impressive, next year's varsity will have many line additions.

E.H.S. tankers manage to stay afloat

SWIMMING The Elgin High School varsity swimming team compiled an outstanding season record of six wins and three losses in dual meet competition. The boys placed second in a triangular meet, third in the Big Eight conference meet, and seventh in the state meet.

The Elgin tankers began the season by losing to West Rockford, one of the state's strongest teams. We then proceeded to capture four straight victories. The boys then lost to Joliet and River side before finishing the season on the ups with victories over Leiden and DeKalb.

In the conference meet, Larry Michelson captured first in both the 100 yard butterfly and the 150 yard individual medley. In the state meet Larry swam to a new record in the 100 yard butterfly with a time of 57.7. In addition to winning that event, he placed second in the 150 yard individual medley. In recognition of his fine performance Larry became Elgin's first two time all-American.

CROSS COUNTRY . . . The cross-country squad split even in eight meets, winning 4 and losing 4. We took 3rd in the Big Eight conference meet and placed 7th in the District. The squad has fine prospects for next year.

GOLF . . . The Elgin High School golf team came through with the fine record of 8 wins, 4 losses, and 1 tie. We placed 5th in both the District and the Big 8 meets.

Intramural program provides athletics for all

INTRAMURAL ATHLETICS . . . Elgin High School is singularly fortunate in having a fine intramural athletic program for those boys who are not members of varsity teams. Among the sports offered in the program are basketball and bowling. There is also an annual free throw contest. Mr. Farrish is the capable director who organizes each event.
